Subject: Dimock - Request for SERAS to Post Additional Data to OSC Website

Hi Ex. 4 - CBI

Okay - I spoke with Rich regarding the compilations and posting to the website. Please see below. This may be somewhat confusing - so please don't hesitate to call with any questions. THANKS AGAIN! - Kelley

Compilations and individual reports:

1) Update the current compilation (which is titled "Dimock Week 1, 2, 3, 4 & 5")

- new title "Dimock Chemical and Bacteriological Data Weeks 1 - 5 and 1st Round Supplemental"
- include the 3 new locations sampled (HW-62, 63 and 64)
- include the lithium re-analyses reports in the compilation

* this update should be done in the same category where it is now - Residential Data Reports

* e-mail spreadsheet and post to website as EXCLUSIVE

* In addition, please post the 3 individual reports (PDFs for 62, 63, 64) to the website as EXCLUSIVE

* In addition, please post the individual reports (PDFs for all the lithium re-analyses weeks 1 - 4) to the website as EXCLUSIVE under a new category - Lithium Re-Analyses (Not under the current category of Residential Data Reports)

2) Prepare a new compilation for the RAD data titled "Dimock Radiological Data Weeks 1 - 5 and 1st Round Supplemental"

- should include all rad data for all locations

*the new compilation should be posted under a new category - Radiological Data Reports (NOT under the current category of Residential Data reports)

* e-mail spreadsheet and post to website as EXCLUSIVE

* In addition, please post all the individual reports (PDFs 1- 64) to the website as EXCLUSIVE under the new category - Radiological Data Reports

3) Prepare a new compilation for the Round 2 data titled "Dimock Round 2 Data"

- should include the data from the 4 locations sampled for metals as part of Round 2

*the new compilation should be posted under a new category - Round 2 Data Reports

* e-mail spreadsheet and post to website as EXCLUSIVE

* In addition, please post the individual results (PDFs of HW-4, 6, 7, 8a) to the website as EXCLUSIVE under the new category - Round 2 Data Reports

4) Prepare a new compilation for the Round 3 data titled "Dimock Round 3 Data"

- should include the data from the 2 locations sampled for Mn as part of Round 3

*the new compilation should be posted under a new category - Round 3 Data Reports

* e-mail spreadsheet and post to website as EXCLUSIVE

* In addition, please post the individual results (PDFs of HW-8a and HW-8b) to the website as EXCLUSIVE under the new category - Round 3 Data Reports

5) Prepare a new compilation for the Isotech results titled "Dimock Isotech Data" - post under new category - Isotech Data

- should include the data from the 12 locations sampled for Isotech (HW1, 2, (including 2z) 4,5, 6, 8a, 12, 14, 17, 19, 24, 60)

* In addition, please post the individual results (PDFs) to the website as EXCLUSIVE under the new category - Isotech Data

Isotech PDFs included below (you will need to separate into individual PDFs
